## **ESPGHAN 2026: Sharing Knowledge, Advancing Science.**

<https://espghancongress.org/wp-content/uploads/sites/23/2026/02/ESPGHAN-2026-Promo-Video.mp4>

**Innovative treatments and research discoveries are constantly emerging in our field, and the ESPGHAN Annual Meeting is at the forefront of education provision and knowledge exchange!**

**Our community strives to discover, discuss, and share the latest innovations and advancements, and utilise them to enhance the standards of care for patients, helping paediatric gastroenterology, hepatology, and nutrition professionals improve their practice.**

**We are thrilled to invite you to join us in Lille, France, on 24-27 June 2026, so together, we can achieve ESPGHAN's mission!**

# Why Attend Our Annual Meeting?

Enjoy the biggest gathering of the international paediatric gastroenterology, hepatology and nutrition community in Europe and beyond, filled with the latest PGHaN science, clinical advances, medical discoveries, practical workshops, stimulating discussions and many opportunities to get inspired, network, collaborate and connect.

## Learn

A wide range of sessions and symposia, given by world-renowned experts in paediatric gastroenterology, hepatology, and nutrition, plus the latest research findings.

## Inspire

The Young Investigator Awards (YIA) intends to support and encourage Young Investigators.

## Experience

Attend learning zones on endoscopy, motility and more, topical workshops and specialised courses for PedIBD, AHP, PGHaN and AI, allowing hands-on training in diagnostic and therapeutic techniques.

## Connect

Network with healthcare professionals, researchers, patients & industry reps from over 110 countries.
