

Instructions for E-Poster Presentations & E-Poster Viewing

Thank you for presenting at the 57th ESPGHAN Annual Meeting 2025

This page is designed to prepare you for your e-Poster presentations and the e-Poster viewings at ESPGHAN 2025. Please visit the page regularly for updates on technical requirements, deadlines and general information.

In support of sustainability efforts, please be advised that all posters are being presented in digital formats and are presented as E-Posters. We kindly request that you refrain from printing your poster. Thank you for your cooperation.

REGISTRATION FOR THE ANNUAL MEETING:

The individual identified as the presenting author must register for the Annual Meeting. If you have not already registered and paid your registration fees you are requested to do so online via the [Annual Meeting website](#).

Only abstracts of participants who have paid their registration fees, by the date indicated in your notification, will be included in the programme and the JPGN Journal.

E-POSTER PRESENTATIONS:

Please Note: E-Poster presentations are meant to be given onsite in Helsinki. There is not an option to present virtually. If you are selected for an e-Poster presentation and are unable to attend, please contact us at espghan_abstracts@kenes.com, to identify a presenting author,

an original co-author, that will be onsite in Helsinki or to change your work to an e-Poster viewing only.

Introducing Rapid-Fire E-Poster Presentations at ESPGHAN 2025!

We're thrilled to offer an exciting new opportunity to present your work at **ESPGHAN 2025!** In order to give as many researchers as possible a chance to share their findings, we've introduced a dynamic new format.

You'll have **2 minutes** to capture the audience's attention, in a Rapid-Fire E-Poster Presentation, focusing on why your work is valuable and meaningful. Emphasize the importance and impact of your work, rather than delving too deeply into the details of the work itself.

This is your chance to highlight the influence of your research, rather than just the specifics of the paper itself. It's all about presenting your key insights and conveying the broader value of your work in a way that resonates with the audience.

This is your moment to capture attention and showcase what makes your work unique!

E-Poster presentations will occur in 3 formats:

- Highest Scoring E-Posters Presentations
- E-Poster Presentations
- Rapid-Fire E-Poster Presentations

How long: For Highest scoring E-Poster Presentations and E-Poster Presentations – 5-min presentations (3-4 min for each presentation followed by 1-2 min for Q&A).

- Please note that the Q&A is included in your total presentation time as indicated in your notification and in the programme.

How long: For Rapid-Fire E-Poster Presentations – 2-minute presentations. Please note that there is no dedicated time for Q&A. Kindly use the 2 minutes to highlight the importance of your work. Any discussion can be saved for after the session has concluded.

Where: E-Poster presentations will take place in front of the 12 e-Poster stations onsite. Please view the [programme](#) to find your station, presentation date and time.

***Please note:** the allocation of presentations is still being finalised and the information, as to which presentations will be given at each station as well as the timing of the presentation, will be available in due course.

The e-Poster presentations will occur, in the e-Poster area and per the following times:

- **Highest Scoring E-Poster Presentations Gastroenterology and E-Poster Presentations for Hepatology and Nutrition.**
