

Parenteral Nutrition Workshop

Welcome to the ESPGHAN Hands-On Workshop on Parenteral Nutrition: Enhancing Clinical Expertise in Neonatal and Paediatric Nutrition

- Wednesday, 14 May 2025
- 08:00-12:00

We are delighted to welcome you to this *three-hour hands-on parenteral nutrition workshop at the ESPGHAN Congress in Helsinki*, designed to provide an immersive and interactive learning experience. This workshop features six expertly curated workstations, each focusing on a key area of practical importance in neonatal and paediatric nutrition.

Our goal is to connect theory with practice, allowing participants to enhance their prescribing skills, expand their knowledge, and participate in valuable peer-to-peer learning.

Whether you are a seasoned clinician or just starting your career, this workshop provides a distinctive opportunity to acquire hands-on insights under the mentorship of renowned experts in the field.

Each workstation will emphasise active participation and real-world applicability, ensuring that you leave with skills and knowledge directly transferable to your clinical practice.

We look forward to your engagement and contributions, which will make this session not only informative but also a collaborative and enriching experience!
