ESPGHAN provides a professional and scientific network to advance research and enhance the standards of care for patients and families wherever we may work.

Some of the world's most distinguished leaders in their fields are members of our society. ESPGHAN also has members who are trainees, nurses and dietitians to ensure that this growing multi-disciplinary approach improves the outcomes for children in Europe.

For more information on how to become a member and join us, please click [here](#). Support from pharmaceutical partners helps make this event possible. As such, it is important that we comply with the various codes and directives relating to the manufacturing, distribution, and marketing of pharmaceutical products. The European Union directive (2001/83/EC, article 86) provides guidelines relating to medicinal products for human use. Within these guidelines is the restriction that access to pharmaceutical product marketing activities must be limited to only those participants licensed/authorized to prescribe or supply medicinal products. All participants, with the exception of the exhibitors, are asked the following question during registration: Are you licensed/authorized to

prescribe or supply prescription-only medicines? If you have any questions, please be sure to check out our [Frequently Asked Questions](#) page, or please visit the [Contact Us](#) page. **We are pleased to offer you a complimentary transport ticket that will be active for 5 days. Please note that this process must be completed using the Annual Meeting App on your smartphone. Redeem on arrival in Helsinki, not before.** (The usage period will be from **May 13 to May 17**). For additional information, please tap the transportation icon within the Annual Meeting app.
